

V-WORK COLLECTION

DESIGNED & MADE IN POLAND
BY KEGEL-BŁAZUSIAK

V-WORK COLLECTION

DESIGNED & MADE IN POLAND BY **KEGEL-BŁAŻUSIAK**

The V-Work collection combines the original cut of all products, unique and fashionable color combinations and trendy color combinations, a new design, and even greater comfort during work thanks to inserts of elastic fabric used in critical areas of the garment.

The collection consists of six different products in six coloristic variants, which allows you to create a perfectly matched set of clothing.

Check which combination best suits your needs.

POLAND COMPANY

Kegel-Blazusiak has been a leading Polish manufacturer of professional workwear and footwear since 1979. For 40 years, we have been creating innovative products with a view to specific professional groups. We offer standard and specialized work clothes, as well as a wide collection of clothing for gastronomy, food processing (clothes that meet HACCP standards), hospitality, trade, industry, automotive, and medicine.

HIGHEST QUALITY RAW MATERIALS

For production, we use the best technical fabrics and high-quality threads. Our products are characterized by resistance to abrasion, tearing, stretching, as well as high color fastness - even after many washings.

MODERN MACHINERY

We have 4 highly automated production facilities located in Nowy Targ, Ochotnica Górna, Jablonka and Limanowa. The automatic cutting room and overhead system contribute to the precision and repeatability of each cut and optimize quality and production. Our entire assortment undergoes strict quality control at every stage of production.

MEASURING TIPS

1. Chest circumference

Measure the circumference of the chest at the widest point.

2. Waist circumference

Measure the circumference of the waist below the belly button and above the top of the hip bone.

LEG LENGTH INFORMATION

V-WORK collection pants articles 5507, 5504, 6507 come in three leg lengths:

S - SHORTER | STANDARD | L - EXTENDED

Tips on how to choose the right length of the pant leg.

Measure the length of the inside leg seam of your well-fitting pants - from the seam connection at the crotch to the end of the leg.
